The anniversary of the birthday of the Stars  
and Stripes was observed yesterday in of the  
United States and her island possessions. The  
law creating the National emblem was enacted  
June 14, 1777, so that the anniversary this  
year fell on the Sabbath, but circulars were  
sent broadcast by the American Flag Associa-  
tion asking that Monday be celebrated instead.

The entire force of employees, including line-  
men and telephone girls of the Citizens Tel-  
ephone Company at Ashland, Peebles, Catletts-  
burg, Lawrence, Ironton, Russell and Wurtland,  
the latter connected with the Independent of  
Greensburg, were ordered out on a strike on ac-  
count of employment of non-Union men. The  
same Union declared a strike against the Car-  
penter Light and Power Company of Catletts-  
burg for the same cause.

In response to an invitation from a gentle-  
man who ever has the happiness of the Junior  
Christian Endeavor at heart, the little ones re-  
paired Saturday afternoon to the icecream par-  
lors of Mrs. A. B. Fitzgerald, where they were  
served most bountifully with ices, cakes, etc.  
The parlors were made especially attractive for  
the occasion—curtains were drawn and lights  
turned on. The tables were tastefully adorned  
with palms and roses, making the time spent  
there "a thing of beauty and a joy forever."

## THEY ARE HERE!

## And They Will Aid the Civil Authori- ties in Preserving Peace.

In accordance with a request of Judge James  
P. Harbeson of the Circuit Court, and in obedi-  
ence to orders from Governor Beckham, Adjutant  
General David R. Murray yesterday dispatched  
a body of soldiers to this city to be present  
during the trial of the three Negroes charged  
with assault on Mr. J. B. Farrow at his home  
near Mt. Gilead some months since.

The first contingent arrived over the L. and  
N. last evening and the men are quartered at  
the Courthouse.

The second quota came at 10 o'clock this  
morning from Louisville by way of Covington,  
accompanying Sheriff J. R. Roberson in charge  
of the three prisoners.

General Murray, who by the way is a veteran  
of the Civil War and knows what real fighting  
is, is in chief command, while Major Nelson J.  
Edwards of Covington is in immediate com-  
mand of the troops, whose officers are Captains  
Morris Robinson and Hal Griffith of Louisville,  
Captain Gordon of Frankfort, Captain Peake  
of Covington, Lieutenants Binkley and Bert  
Fuhrmann of Covington and Lieutenant Linden-  
berger of Louisville.

Accompanying the Frankfort contingent was  
a Gatling gun, while the Louisville delegation  
brought a Hotchkiss, which, with the smaller  
arms, are sufficient to suppress any mob that  
may confront them.

THE LEDGER regrets exceedingly that any  
occasion should have arisen for the presence in  
our midst of this warlike demonstration, but  
the demoralized element of the city and county  
is alone responsible.

It should be borne in mind that these troops  
are not here simply to protect three worthless  
Negroes.

They are here to preserve the peace and to  
protect the lives and property of the citizens;  
they are here at the request of the Circuit  
Judge of this District; they are here by com-  
mand of the Governor of the Commonwealth;  
they are here to prevent a repetition of the  
scene of some three years ago; they are not  
here to take the initiative in any demonstra-  
tion. They are subject solely and alone to the  
orders of Judge Harbeson and of Sheriff Rob-  
erson, whom the people of this county have chosen  
as their chief peace officers.

It is the duty of every good citizen to stand  
by the law and to see that there is no occasion  
for the use of any force on the part of the  
state's power to preserve the peace.

THE LEDGER begs that our citizens will see  
to it that there is no attempt at violence.

## TOSSED OUT OF COURT.

## Another Big Damage Suit Comes to Grief in Circuit Court.

For the past week the time of the Judge, a  
Jury and a number of lawyers has been occu-  
pied in the Circuit Court hearing the evidence  
in the suit of the New York Life Insurance  
Company against Mary Weaver's Administrator  
and others, Dr. W. H. Hord, a reputable phy-  
sician of this county, being made a party  
thereto.

The suit was for the recovery of \$10,000  
life insurance paid the late Mrs. Weaver, to  
which was attached a personal suit for \$5,000  
damages against Dr. Hord, the charge being  
that he misrepresented the physical condition  
of the assured when the policy was applied for.

It was in evidence that Mrs. Weaver lived  
several years, and had several children, after  
the policy was issued to her, and that Dr. Hord  
had given a correct statement of her condi-  
tion when he made a medical examination.

After the conclusion of the evidence Judge  
Harbeson threw the case out of Court on per-  
emptory instructions.

Messrs. A. D. Cole and L. W. Galbraith re-  
presented the Insurance Company, and Judge  
Thomas R. Plister, Hon. E. L. Worthington and  
I. W. Robertson represented Dr. Hord and the  
other defendants.

Ray's Rainbow Mixed Paint is guaranteed  
the best and cheapest.

Lexington K. of P.'s will probably give a  
show of some kind to help swell the fund for  
entertaining the Grand Lodge at their next an-  
nual session.

Never compare prices without comparing  
quality: you will find more difference in quality  
than you will in price. See our monuments and  
markers before buying elsewhere.

chester.

The Bonanza passed up yesterday morning  
for Pomeroy, and will be down tonight.

The excursion business on the river was  
never better than it has been so far this season.

The Virginia for Pittsburgh will pass up to-  
night, to be followed Thursday night by the  
Keystone State.

A fine boating stage of water is now on in  
the Ohio, and it is hoped there will be good  
water from now on.

The rise in the river at Pittsburgh will mean  
that the threatened coal famine along the river  
will be broken. The different companies will  
send out at least 25,000,000 bushels of fuel.  
This will be enough to relieve the wants of the  
consumers until next fall, when the winter  
rains will come.

Captain J. F. Ellison, Superintendent of the  
Cincinnati and Pittsburgh Packet Company at  
Cincinnati, Sunday received word from Pitts-  
burgh stating that at least 10 feet of water  
was expected inside the next two days. This  
rise in the waters will allow of the packets run-  
ning between Cincinnati and Pittsburgh possi-  
bly until the middle of August.

## Chamberlain's Colic, Cholera and Di- arrhoea Remedy.

Is everywhere recognized as the one remedy  
that can always be depended upon and that is  
pleasant to take. It is especially valuable for  
summer diarrhoea in children and is undoubtedly  
the means of saving the lives of a great many  
children each year. For sale by Jas. J. Wood &  
Son, Druggists.

## THE CONFESSION OF A WIFE.

"I Would Have Been in My Grave Long Ago  
Had it Not Been For

## PAINE'S CELERY COMPOUND"

This is the closing sentence of a thankful  
and grateful letter of testimony written by  
Mrs. P. Hoffman of Kyrtown, Pa. A com-  
plication of liver trouble, kidney disease and  
stomach neuralgia resisted the best treatment  
of an able and experienced family physician.  
When all seemed dark and gloomy, a kind  
Providence directed an anxious husband to have  
his wife make use of the medicine that saves  
even at the eleventh hour. Paine's Celery  
Compound gloriously triumphed; it removed  
waste and poisonous matters from the blood,  
toned every organ and nourished the weakened

system. Mrs. Hoffman says:—  
"For about four years I suffered from liver  
and kidney troubles and neuralgia of the  
stomach. My doctor could do nothing for me.  
My husband read about Paine's Celery Com-  
pound, and bought some for me. After using  
one-half bottle I was able to be out of bed. I  
used two bottles and can now do my own house-  
work. Paine's Celery Compound is the best  
medicine in the world, and I recommend it to  
all sufferers. Had it not been for Paine's  
Celery Compound, I would have been in my  
grave long ago."

## His Last Hope Realized.

From The Sentinel, Gelo, Montana.  
In the first opening of Oklahoma to settlers in  
1890 the Editor of this paper was among the many  
seekers after fortune who made the big race our  
fine day in April. During his traveling about and  
afterwards his camping upon his claim he en-  
countered much bad water, which, together with  
the severe heat, gave him a very severe diarrhoea,  
which it seemed almost impossible to check, and  
along in June the case became so bad he expected  
to die. One day one of his neighbors brought him  
one small bottle of Chamberlain's Colic, Cholera  
and Diarrhoea Remedy as a last hope. A big dose  
was given him while he was rolling about on the  
ground in great agony, and in a few minutes the  
disease was repeated. The good effect of the medi-  
cine was soon noticed and within an hour the pa-  
tient was taking his first sound sleep for a long  
night. That one little bottle worked a complete  
cure and he cannot help but feel grateful. The  
season for bowel disorders being at hand suggests  
this item. For sale by Jas. J. Wood & Son, Drug-  
gists.

## Beware of Quack Remedies For Catarrh That Contain Mercury.

As mercury will surely destroy the sense of smell  
and completely derange the whole system when  
entering it through the mucous surfaces. Such  
articles should never be used except on prescrip-  
tions from reputable physicians, as the damage  
they will do is tenfold to the good you can pos-  
sibly derive from them. Hall's Catarrh Cure,  
manufactured by F. J. Cheney & Co., Toledo, O.,  
contains no mercury and is taken internally, set-  
tling directly upon the blood and mucous surfaces  
of the system. In buying Hall's Catarrh Cure be  
sure you get the genuine. It is taken internally  
and is made in Toledo, O., by F. J. Cheney & Co.

Latest News

B. J. Ewen, the chief witness for the prosecution in the trial of Curtis Jett and Tom White at Jackson, for the murder of J. B. Marcum, has begun to feel the vengeance of those whose murderous reign is threatened by his disclosures. His hotel, valued at \$10,000, and representing all his savings, was fired by an incendiary and burned to the ground. Only a few articles of clothing were saved. Two men—teamsters in the employ of Hargis Bros.—were arrested on suspicion of firing the building. Bail was offered for them by County Judge Hargis and Sheriff Callahan, but they were held in custody for action by the Grand Jury. Ewen has been made homeless because he has, at the risk of his life, done his duty as a citizen in testifying against the rascals of J. B. Marcum. He deserves the sympathy and support of all good citizens, and already subscriptions have been started in aid of himself and family, who are left penniless.

NERVOUS HEADACHE  
BREEDS INSANITY

Many a person's whole pleasure in life is ruined by the fear of nervous headaches. Any little excitement, no matter what, business or social, brings them on. The feet and hands grow cold, the head is hot, the eyes stiff, the temples throb, and only in the quiet of a darkened room is relief obtained. This condition must be checked or it means complete mental ruin. To those people Dr. A. W. Chase's Nerve Pills come as a blessing. They do not stop, they cure the headaches. They do not blanket, they build up. They put the nervous system in a strong, vigorous, sturdy condition—a condition that gives one resistive power and enables them to again enjoy life's pleasures.

Mrs. Minnie Aikman of No. 218 Lee street, Maysville, Ky., says—

"I have been bothered for a long time with pains in the region of my heart and with racking nervous headaches. I was advised to try Dr. A. W. Chase's Nerve Pills and I got a box at Chenoweth's Drugstore and now I am happy to say that the heart pains and headaches are completely cured. I cannot speak too highly of these pills as they are an excellent medicine in every particular."

Baby Costs Too Much

When the price paid is the mother's health and happiness. The father doesn't realize as he romps with the child what years of wifely suffering must be set against the baby's laughter. Chronic invalidism is a high price to pay for the painful joy of maternity, yet it is at such a cost that many a woman becomes a mother. Such a price is too much because it is more than nature asks.

By the use of Doctor Pierce's Favorite Prescription maternity is made practically painless, and a quick convalescence is assured in almost every case.

"I am pleased to give my testimony and wish I could find words strong enough to induce other sufferers to use Dr. Pierce's Favorite Prescription."

writes Mrs. Wesley Guy, of Kemptville, Ont., Box 6. "For eight years after my little boy was born I suffered with female weakness, also soreness in ovaries, especially on my right side, and pain in back. Was so miserable sometimes did not know what I was going to do. Tried several doctors but derived no benefit until I began using Dr. Pierce's Favorite Prescription. Had only used four bottles, also some of Dr. Pierce's Anesthetic and Healing Suppositories, when I felt like another person. I recommend Dr. Pierce's medicines to all my friends. If anyone wishes to write me I will gladly answer."

Dr. Pierce's Favorite Prescription contains no alcohol and is entirely free from opium, cocaine and all other narcotics.

The dealer who offers a substitute for "Favorite Prescription" does so to gain the little more profit paid on the sale of less meritorious medicines. His profit is your loss; therefore, accept no substitute.

Dr. Pierce's Pleasant Pellets regulate the bowels.

Cleanliness the Characteristic.

"I have thoroughly inspected the mills and the method of manufacturing the product called 'Force.' I find that the sole ingredients—wheat and extract of malt—are of the highest possible quality and of absolute purity, and that every step in the process of manufacture is characterized by perfect cleanliness. The final drying, or roasting, thoroughly sterilizes the product, and from the time the grain is delivered at the mill until the final sealing of the packages, the food is handled entirely by machinery."
